Dear Elizabeth: Sunday P.M.

We had a very good trip - but long - children were right there to meet us at 10:25 PM - and we actually slept around the clock - Been out on rides yesterday and today which were lovely - cool and clear weather - [illegible] see a lot of planes - [illegible] said planes are bringing back wounded from Vietnam - Not so far from Japan, here - All send best - [illegible] [illegible]
